“ Just saw the obituary in the Parkland Press. So very sad to see the passing of Aunt Joan. Your whole family was very special to us all growing up. Aunt Joan was always filled with great warmth and laughter and always so welcoming when we'd come to visit, when Uncle George would teach us about fixing cars in the alley/garage behind your house on 4th Street, when I'd work out songs with Ken in the kitchen for the band, and most especially when she was the Den Mother when I was in cub scouts. She always had the coolest crafts for us to make. I will always remember her "smokey" voice (like a jazz singer who never sang) and the great kindness she had for us growing up. My heart is with all of you in losing your Mom and G'mother. You couldn't ask for a better or more fun Aunt.

“ We all remember the good times we had as a family. Camping, visiting or just eating and celebrating something. Fishing, baking, canning or freezing things from the garden. Always allot of laughs sometimes to tears laughing. We just used our homebound time to go through our photographs of the get togethers of the Egge family. So many good times. We will remember her always.

“ To the Family of Joan Robertson
What moves through us is a silence a quiet sadness a longing for one more day one more word one more touch. We may not understand why you left this earth when you did or why you left before we were ready to say goodbye, but trust our Lord knew he needed you home. Even in your passing you remind us little by little not that you died, but that you lived. And that your life gave us all memories too beautiful to forget.

While I may not have known you all personally, I know my friends mother was a very special woman and mother. My thoughts and prayers are with you all.

“Joan and I worked together at Kmart and it was an absolute Joy working with her. She & George also opened their home to us many times, we had so many laughs together. Prayers for the entire family and would love to hear from anyone of Joan’s children. Brenda (Billiard) Witman.

“My sympathies to you on the loss of your mother. She and my mother shared many memories at Kmart as part of the “old gang”. Lovely picture of her for everyone to remember.

“Joan, Our life was enriched by having you in it. Your house became a place that we could come home to, no matter where the Army took us. We love you and we will miss you every day.
