*For some reason, Alan came in my mind tonight. I still have not gotten over the idea that he has gone forever and I never will. He was one of my best friends. And I will never forget him and I will always love him and I'm so sorry that his life was cut short. Alan, I hope to see you sometime again in heaven with all of our family members that are there waiting for us. I love you Rhett and always will.
Love,
Scarlett*
