Thank you for having the opportunity to watch this from Kansas. It was wonderful to see all of the shared memories of Dad Miller's legacy he left on the family and the connection to the Apostle Paul's legacy.

“ *I worked with Al for many yrs at Cedarbrook. I remember when he told me he was leaving to enjoy his retirement how happy I was for him but sad for me. Work was always fun with Al around. I lived his warm and friendly disposition. May he rest in peace.*
