“ Dear Anita Marie, Jeff, Daughters, and McGinley and Nacci Families, I am sending you heartfelt sympathies in the loss of a very very important and loved lady in your family; your Mom, your Grandmother, your Sister, Anita. She was such a delight every time we visited your home during my childhood and adult years. I have so many great memories of playing with Ann, Mark and Patty, in Anita and Gene's fun basement with toys galore, and yes, a full grocery store. Also plenty of food and snacks that felt like a party on a normal night. Anita was the glue of your family. She always focused on the happier times and kept her faith even when she endured great losses. She never erased Gene's recording on the answering machine, she always shared meaningful and uplifting stories. Anita Marie, you were the rock during the most challenging times of losing your Uncle Mark, and then your Mom, Ann in a short time. Your Grandmother is smiling down on you, and will always be with you for the rest of your days to come. May she now be at rest and in the home of God with her loving family she has missed for years. Until we all meet again. I love you all and will always hold Anita close in my heart. God Bless, Jane (Seer) Billig and Douglas and Family  
xoxo
