Anne was my roommate at the facility we were being transported at! She was a sweet lady who had a stroke & a lot of trouble remembering things! She had a fall & was bruised fairly badly, but they took good care of her!

So sorry for your loss Tom & Donna! So sorry Karen & Beth(I hope that's the right name) Moms no longer suffering & she has a new body!! God bless you all!!!

“ Karen, Tommy, and Libby, I'm so sorry to hear of your mother's passing. She came to my dad's funeral in January of 2020 and I knew her immediately -- even though it had been many years since we had last seen each other. She looked great! I have fond memories of growing up in that neighborhood and the wonderful people who lived there. I'll always remember your mom's lovely singing voice and piano playing. Sending you warm hugs since I'm unable to be at your mom's service today.
