“ *I was so sorry to hear about your passing. Please accept my heartfelt condolences.*

I still remember your home as one of those special places where the door always seemed open and the welcome was real. You raised Dave, Darryl, and Jeff with that same spirit. They were always ready to "come out and play", always part of what made the neighborhood feel alive. Those memories don't fade. They stick with us, woven into who we became.

May your family find some comfort in knowing how many lives you touched just by being yourself and by raising such good boys. I'm holding you and your family in my thoughts.

With deepest sympathy,
Bob Premecz

“ *Arlene was a lovely person and a very good artist. She belonged to our small group of artists. We had art in common, but beyond that I considered her a friend.*

My sympathy to her family

Arlene rest in peace, you will be missed.
