“ *Im so sorry for the lost of your Mom. She is the last of my husband Bill family. She was a great lady, I always enjoy her company. We spend many fun days going through grave yards looking for missing stones of the Rader family, doing our genealogy. I gave her and me a big scare one day, when we were walking along a old grave and it gave way and my 1 leg sunk in up to my thigh. I never forget that day. I got my leg out and ran a few stones away. And there was Audrey trying to look in the hole, she said she seen the casket. Of course I wouldn't go near. That was just 1 of the fun times I had with her. She will be greatly missed.
