“ I want to offer our deepest condolences to Barry’s family. I had the distinct honor to meet him as Scott’s pastor several months ago. We spent sever hrs talking and praying. That day he asked many questions and than asked Christ Jesus into his life as his Savior. He said he knew his time was limited here on the earth but now felt a peace. Love and forgiveness that he has never know before. Knowing one day that he would be there in heaven. My wife and I want to pray for the family that is left behind. These valleys we walk through esp during these times are hard on all. But there is comfort and forgiveness and unity through Jesus our Savior.
Blessings. Pastors Dave and Mary Beth

“ Paul wanted me to add this: Boney if you see Billy up there tell him hi and to behave.....although I think Billy ended up south of the border...😞

“ Paul and I were so shocked and sad when we saw this in the paper today. We go back over 40 years with Boney and the rest of the family. We have many fun and crazy memories from our youth....keggers in the game lands, parties at Quality Inn and just cruising around all night in Paul's Mustang. He was always the life of the party and had a good heart. We're sorry we lost touch over the years and hope he found peace later in life. Condolences to the family. Julie and Paul Bloom

“ I send my deepest sympathy to my dear cousins. Cheryl and I treasure the memories of the times we spent together. We loved your guided bike rides through the sights of Emmaus. Joey turned us on to the music of “Chicago”. Your mother, our Aunt Judy, took us to get our ears pierced. And, who could forget Memmy? She was a force to be reckoned with! I will always remember Barry as a kind soul. I loved his laugh and his naughty smile. Rest In Peace Barry until we meet again 🥰
