“ My sincerest sympathies and condolences to Burt's family. I have known him since the late 1950s. I worked with him at Allison Mfg. He was a true mentor to me and taught me many things that helped me to be the person I am today. He had a great sense of humor and was very devoted to his family. He and Ann attended my wedding reception. I owe him a huge debt of gratitude for his positive influence in my life and he will always be in the forefront of my memories. God bless your soul Burt and may he comfort your family.
