“ Sorry to hear that Carl had passed away. I had worked with him at Hatfield before he retired to AZ. He and Doris were the biggest supporters of our softball team and always fun to be with. I was happy to get to see them again when they came back East. He, they, are missed. My condolences.

“ So sorry to hear about Carl's passing. He was a great co-worker and friend. We still speak of he and Doris fondly from time to time, and will miss him at our annual picnic. It was also always great to have him (and Doris) as our softball teams' biggest fan and supporter throughout the years.
