“ *Words cannot express the deepest sympathy and sadness I have for the Smith family. Carol was such a wonderful, loving person. I was very fortunate to have someone like her in my life. I'll never forget how she was there for me when I was a young child. Times when I was too sick to go to school, but my mom still had to work, she would offer to watch me and give me her loving mothering care. Then I remember when she became a school aide at my school, Parkway Manor. I was so happy because I got to see her during the day. Her family was like family to me. She has 6 wonderful children I was lucky enough to also have in my life. We had such wonderful times together! Whether it be going to Wildwater Kingdom, sleigh riding, watching fireworks, or getting together for Christmas. Many memories were made and will not be forgotten. Now she is once again reunited with her loving daughter, Janet. Heaven is lucky to have such beautiful angels. I love you all and God Bless!*
