“ *Cheryl was one of the funniest and kindest people that I worked with at Mack Trucks. She was always in a good mood and whenever you would mention her name to someone they would always smile. I was sad and shocked to hear of her passing and offer my condolences to Dean.*

She was always interested in hearing about my yearly travels to Asian Countries. May she rest in peace.

“ Too many memories to share just one but the common denominator in all the memories were laughs and smiles. Cheryl, I will miss you every day for the rest of my days. Thank you for the laughs, the hugs, the straight talk. One in a million you were.

No hunt test will ever be the same. I will miss your big hug in the beginning of a hunt test and great sense of humor in the bird field. You also had my back. Miss you
