“ *OMG, I did not know that Cliff had passed. I pass the King George Inn when coming to Pa. and often think of Cliff and Nancy. Both were the best. Remember many good times at the King George. I remember Nancy, vividly, when I was living in the Valley, one night when we were all at the King George, she told me she was worried that I was going to leave the Valley and I would not be here to support them. It wasn't too long after that, that Nancy passed, and she fought a tough battle, but never gave up, I do remember that. That is a great picture of Cliff smiling. So sorry for your loss, Kevin and family. R.I.P.Cliff, and now he has joined Nancy. God Bless to all.....*

“ *I was privileged to know Cliff well for many many years. We met shortly after he moved here. He became a friend who I admired and whose company I enjoyed while he owned the King George Inn. I was fortunate to be involved in the sale of the King George so that Cliff could enjoy his retirement. He was a special friend and person. May he Rest In Peace. Don Patt*

“ *Kevin and family*

We were sorry to hear of the passing of your dad. We will always think of him and the time that we worked at the King George. The memory that we recall the most is how your dad treated and enjoyed all the people who came into the George. To him they were guest in his house, not customers of his business .

“ *Cliff will be missed by the many people's lives that he touched and the excellent service and food that The King George was famous for. Being Colleen's friend, it was a privilege to be able to enjoy the restaurant and feel like Cliff, Nancy and Kevin were my second family for years. Praying he is reunited with Colleen and Nancy now. Kevin and Jody, I am so very sorry for this incredibly sad loss of a wonderful man, father, grandfather and great grandfather, and friend.*

“ Kevin and family,
I only just found about Cliff's passing yesterday. I'm so sorry for your loss. God Bless him though, he lived a long and remarkable life. He was such a great long time family friend and confidant to my father. Later, I did business with him, always over a couple of glasses of Root Beer. I will never forget him or all the memories of the King George. Of course, I have the corner booth that my Dad loved sitting in my basement when I want to really remember. Sending you my condolences and big hugs.

“ Having worked for Cliff several years at The King George; this is so very sad! Many co-workers were long time employed; we were a family away from home!

Customers were not customers but part of the "George" family as well! So many awesome memories! 😭

May you Rest in Peace "Mr. Mac!"

Kevin, family and all friends; my deepest sympathies! I am so sorry for your loss! May your loving memories guide and comfort thru this very difficult time 🥺❤️

“ We had an incredible friendship with Cliff and his family for close to fifty years. We enjoyed Colleen’s performances at the Civic Little Theatre in her early teens. Cliff and Nancy were so proud of her. We watched Kevin grow into a great father. We were there when Cliff was devastated by the loss of Colleen and then Nancy but Cliff had that inner strength to keep going. I sat with Cliff in his office as he auctioned off the contents of the King George Inn. I know it was a difficult but necessary thing to do.

Beyond all of the tragedy, we enjoyed many years with Cliff at the King George. Through all of his special nights, the Titanic and his Men’s Only nights, as well as a regular on Thursdays, Fridays and Saturdays, Cliff loved to entertain and be around the many friends he had over the years.

Cliff will always be an important part of our lives. We celebrated many birthdays and anniversaries at the “George”.

Cliff, you will now join Colleen and Nancy.

Jody and family,

Our heart breaks for you. Our thoughts and prayers are with you. May you find comfort in knowing Cliff is at peace with the Lord.

Cliff, Rest In Peace my friend
