“ Worked with Cruz at PPL while I was there until late last year and couldn't have met a nicer person. Happened to hear about his passing while speaking with a former PPL co-worker this morning. My heart breaks for his family.

“ Cruz, we had the best times hanging out at D&Ds then playing pool while listening to Yanni & Frank Sinatra. Fly me to the moon song takes my heart directly to you. You had many challenges but you always knew how to live & laugh. Your joys were your family, your beautiful Sara & of course Blacky. I just hope you realize what a joy you were to hang around with. You touched many hearts. Love, Jan & Ronnie May
