“ *I just somehow thought of Dana this afternoon and googled his name. I was shocked and sad to learn his passing. I worked closely with Dana for 5 years. He was always generous with his time and knowledge. He solved customers' problems elegantly and in the ways I could never understand. As I saw his profile photo, I sure remembered Dana and his distinct Hawaiian shirt! I will miss Dana Anderson.*

“ *My sincere condolences to Dana's wife Donna and family on their great loss.*

It was with shock and disbelief that I heard of Dana's passing. Dana was one of those people that made himself available, day or night in order to support his co-workers.

More importantly, Dana was a friend. I was lucky enough to have had the pleasure of his company on many occasions.
