

Daniel J. Meade

September 14, 2022

Daniel J. Meade, 34, of Allentown, PA was called to heaven Wednesday, September 14 by his mother Anne Marie Meade, who he loved and adored. Theresa Zintak, his surrogate grandmother has also been patiently awaiting his arrival.

He is survived by his father Dr. Thomas Meade, Allentown PA; Sister Melissa Meade of San Diego, CA; and Brother Christopher Meade of Ft. Lauderdale, FL.

Daniel was employed at New York Life as a financial analyst after graduating from Penn State and DeSales University with a business degree.

Daniel was gifted with a kind soul, keen mind, and a selfless heart. His creativity and initiative were incredible. His hobbies included web design, eBay business development, comic book aficionado, sports and political analyst.

Dan never wanted to be the center of attention but his calm and steady demeanor complimented any gathering. It came as a pleasant surprise when Daniel had a short career as a lead 'scream singer' in a post- high school band.

Empathy could be his middle name, but courage and strength define him. The love and adoration his family and friends share are limitless. He will be a part of our hearts and souls forever and missed beyond words.

A celebration of life Mass will be held on Thursday, October 27, 2022 at 11:00 A.M. at St. Thomas More Catholic Church 1040 Flexer Ave. Allentown.

“ Dan was a phenomenal friend and went out of his way to make sure his boys were ok. He helped me through some very sad times and I saw him do so for others. I'll never forget all the random hang out sessions, shows we went to, the Atlantic City trips for his birthdays, the impromptu beach trips and road trips. Such a solid dude. I truly wish I could have seen or heard more from him the past few years, but that's neither here nor there. I will never forget that goofy, exceedingly energetic person for the rest of my life. I'm so sorry to the Meade clan, I can't even imagine your sorrow at this. My sincere condolences and much love.

“ I had the privilege of working with Dan during his time at NYL. We would always chat about what movies or tv we were watching at the time, and other on goings in this crazy world. I'll remember him for his big smile, gentle demeanor and warm heart. He's was truly a stand up guy, and will be dearly missed by so many. May you be at peace Dan.

Dr. Meade and family, my deepest condolences on the passing of your son Daniel. A fitting name of Daniel after is grandfather. Although, I never met your son, it is with a heavy heart to loose a son at such a young age. He is now in a better place with your dad watching over him along with his mother. May he rest in peace and the peace of Christ be with him.

Dr. Meade and family, I am shocked and saddened by Daniel's passing. We worked together at Cigna/New York Life. One afternoon he asked many questions about my background. I remarked that I felt like I was speed dating. Daniel admitted he'd approve of me for his dad. Our big joke! I called him my son. My deepest condolences on your loss. He's watching over all of us now.
