“ I remember when David and Anne Louise first met. My cousin, Anne put an ISO ad in the newspaper, she kept a file folder of the "dates" she had. I remember her telling me that David during their date, reached over to hold her hand and she then knew that "he was the one"...so, she got rid of the other file folders and the rest is history. My Aunt Eleanor, also knew that David :was the one" for Anne. She would always say how wonderful David is for Anne. My Uncle Bob also gave his approval to David and helped when the kids were born. I am so grateful that David brought Anne over to our house in October and I was able to take these pictures. I know that David loves his family very much and he will continue to. Praying constantly for you and the kids.
Love, Mary Frances

“ I remember David as a quiet, hardworking man who took good care of his family. His family loved him very much and his mother-in-law, my aunt, Eleanor Fagan thought “The World of him”. We are so sorry for your loss and know that your memories of being together will live on and on. We will pray for you. Yes, “we need prayers”.
God Bless You

“ Anne, Derek, and Kelly,
This is especially difficult because you have lost not only a great husband and father but also your best friend. He loved all of you so much. Keep his memory alive by continuing to love each other well and laughing often.

God Bless,
Lori

“ David was my sole mate for 28 years. He was my best friend, & “greatest Father ever!” To our children Derek & Kelly. His sudden death was a shock to not only his family, but also his co-workers & friends. Though we are mourning his death, we remember so many good times together. The thing I love most about Dave was his warped sense of humor. The 4 of us shared many private jokes & fun memories. We thank you all for sympathy & prayer. Please share a special memory with us, we appreciate hearing from you.

*I LOVE YOU DAVID, TRULY, MADLY DEEPLY. FOREVER YOURS,
ANNE*
