“ *Stacey, Don, Ann, & Family -- my sympathy on the passing of Don.*

I hadn't seen your parents (at church) since pre-Covid. We had reconnected after decades. We were next-door neighbors on Driver Place from 1979-82. My last name was Keller and my husband Ron & I had 2 small children, Chip & Becca. (John & Denise Velas lived on the other side). I gave your mom a huge Christmas cactus when I moved. You may or may not remember.

I'm sad to learn that your mom is not in a state of mind to attend the funeral.

You are all in my thoughts and prayers. May God and your good memories pull you through this difficult time.
