“ *To the Family, I want to let you know of the kindness shown to my husband & me at the time of the death of Virginia Gray. Unexperienced as we were, we tried to execute my husband's loving aunt's last wishes as best we could. We are grateful to his daughter as well, whom we met in the process, also raising young children. We send condolences on the loss of Dr. George Smith & pray more blessings on his Family.*
