“ Patti and I send our condolences to the Kuchar family. We worked with Libby and Ed on pro-life issues at STM beginning in the early 1990’s. Indeed, Ed was our mentor in all things pro-life, especially with the Helpers of God’s Precious Infants. Libby was always a soft spoken but strong presence on the STM Respect Life committee. We enjoyed visiting with them and hearing them talk so proudly of their family. RIP, Libby! Dale Meisel

“ I wish to extend to the family, my condolences, on the loss of Libby. I met Libby through her work at STM Rectory. Always a smile and great kindness was her demeanor. Just a great lady who was willing to go the extra mile to provide assistance. She truly will be missed. I am quite sure, she has earned her heavenly wings. May fond memories bring comfort to those she loved!
