“ Dear Lori, Jim, Helene, Samantha, Kylie and Travis

So very sorry for your loss of mom and grandmother, my prayers go out to all of you.

I'm remembering the fun times at the Outer Banks with the family. It was so great to be a part of your family vacation. I'll never forget laughing about walking into the closed screen door at the Outer Banks. First your mom, then me and finally your dad. Or all of us preparing a meal together.

Your mom and dad shared many of their vacations with me and I have so many memories of happy times. After I got divorced your mom took me to Disney World to cheer me up. She was wonderful to her "kid sister" as she would call me. I will miss her so very much.

Love, Aunt Diana

“ *Jim, Lori and family,
I'm so sorry for your loss. Evy was a wonderful person. I am so blessed to have been a part of the Med Pool family for 15 years. Evy and Bob were very special and always made you feel like family. I remember how much she liked clowns, chocolate and always had a smile on her face and wore high heels every day. I am so glad there are many happy memories from our time working together.
You always knew she loved her family very much.
Hoping your memories help you all through this hard time.
Love to you all.
