Tribute Wall

“ *When my parents picked you to be my Godmother, they sure knew what they were doing! Being your goddaughter with 3 godbrothers... NOPE I was not spoiled! I'll never forget when I was little and I stayed at your house overnight and I started crying, Shawn came and smacked me in the face.*

Now you are home with our Lord & Savior. You are free of all your earthly pains. . I will never forget our day trips to Callie's Candy Kitchen, Pocono Candle Shop, Englishtown Auction and many other car trips.

You can finally give my mom & dad big hugs again. Rest easy until we meet again.
