“ I got to know George through the Fritz Wesleyan dart team. He was always a great teammate with his upset positive attitude. During several of our championship seasons he contributed very much to the success of our team. He will be missed both as a player and as a good person.

Spell check changed my word "upbeat" to "upset". George was anything but upset.

“ Rothermel family, I am saddened to read of George's passing. I worked with him for many years at the post office and also bowled with him in the Post League at the Ukie Club in Allentown. May he have eternal rest. Peace to the family. God Bless.
