“ *My sympathies & prayers to Rita and the rest of John's family that God give you comfort, strength, and healing. I knew "JD" while we worked at Lehigh Valley Hospital. As common practice then, we all used initials. JD always knew and did the right thing at work for all employees. When we chatted, he would always say loving things about his wife, Rita and family. It would make me smile. Whether he shared advice, funny stories, or told you something straight up, you always felt comfortable around him. I am sorry for your loss. Gina Jones*
