“ We have been so blessed to have been friends(family) with Greg for the past 35 years. His infectious laugh and zest for life is something we will always have with us. You were the Godfather to Leanne and Aaron and the very best friend to Paul and Jenny. The world is much darker without you. We love you with all our heart.💔

“ Met Greg back in the early 1980's at KD Tools where we worked together. Such a teddy bear. Along with the Lagowski Family we became wonderful friends along with his wife Mary Ann. We all watched as our families grew with our children. We all spent some wonderful New Years together. Until we meet again my friend.
