“ Jackie, was like a second mother to me, we shared so many wonderful times together....our walking treks to Farmer’s Market or Albright’s, our visits to Rodale Park where she would roller blade while I biked, or just sitting on my patio laughing and talking. I loved her. I have and will miss her greatly.

“ Mrs. Baxter was a wonderful neighbor to my parents who lived across the street for so many wonderful years. My mother was always talking about how well Mrs. Baxter kept the house and the property. She was out daily to walk the dogs and always had an easy going waive and hello. She will be greatly missed!. She was a treasure to the neighborhood.

I just learned of our kind former neighbor's passing. Jackie lived right next door to us. She loved plants and walking her dog Sasha. We were sorry she moved away but happy she would be near her son Allen. Rest in peace
