“ I learned to know Jane when she moved to Luther Crest. Her love for others, caring attitude, intelligence, and winning smile made her a favorite among the residents. She became a supporter of the Kayhart Arboretum and left a legacy with the our community that will continue to make this a better world.

“ I only became acquainted with Jane in the last two years. I feel both blessed to have met her and enjoyed conversations with her around education and libraries and children, and also sad not to have had more time. Jane was kind, understanding, engaged and so caring. Peace to those who spent the most time with Jane and to her family members.

“ My condolences. Jane and my mother Mary worked together at the Steel. My mom retired and Jane would always call and/or visit. As stated Jane did have a kind heart and she and I chatted several times. On special occasions such as a birthday, holiday or Christmas Jane would always show up cookies in hand.

Jane....rest in peace !

“ Her kindness and generosity will be greatly missed. Her knowledge on so many different topics made it such a joy to enter into every conversation with her. Her sweet nature was consistent and such a comfort. What a joy it was to have her in our lives! She will always be our Aunt Jane.
