“ Our deepest condolences to the family of Janet. We always looked forward to seeing her at the Schnecksville Diner and if she wasn't there we would say "she must be off today" or " we haven't seen her in a while". She always had a kind word to say with a smile and would ask how our meal was. She will be greatly missed.

“ I'm sad to see Janet's passing. She was such a sweet and wonderfully genuine person. I worked with her years ago when I was a young server at the diner. She was always such a caring and supportive person. Her kindness stays with you. Keeping her family in my thoughts.

“With deepest sympathies on the loss of my dear friend Janet. She is a beautiful soul whose energy will live on in every snowman and candle I see. I'm so happy we got to spend a lovely day together going to breakfast and shopping for her birthday. I treated her to a new handbag that she then wanted to return. She loved to shop and return things.... Makes me laugh. Prayers to her son Steve and granddaughter Stephanie plus her sister and siblings she was close to.”
