“ *My dear beloved brother. My heart is so broken since you left us💔 I am so blessed that God picked you to be my big brother. You've always looked out for me. You've always been there for me when I needed a friend and you were just one of the best brothers a girl can have. I'm gonna miss you always checking on me, all our talks and most of all your laugh. I'm just gonna miss everything about you. I know you're with mom and dad now so for that I am happy for you. I know life was weary for a while for you, but now you were joyfully walking the streets of heaven with mom and dad and all the loved ones who went to heaven before you. I will miss you every minute of every day 😊 I love you so so much big brother always and forever! You will forever be in my heart❤️*
