Jessica used her degree while working for MasterCraft Printing until working for herself by founding her own company Bull Dog Advertising. We are so grateful that you all took time to visit my mom at our house. What a special day! Meeting Jessica and Sebastian and seeing Scott, my sweet cousin Darlene and Tom made some special family bonds. My mom still talks about your visit. I will cherish the picture we took with 5 generations. I can see Scott and Jess outside with Sebastian as if it were yesterday. Rest in peace, sweet Jess. We feel blessed to have had that visit with you. Scott, Darlene, we send our prayers and our love.
