“ The entire family is in our prayers at John's passing. I started with SARCO in 1977. John and Sylvia were at the airport to greet me during an introductory company visit. I soon learned how valuable John was to Sarco (then Spirax Sarco) because of his steam system expertise. He helped many a customer through difficult steam system problems, at the desk and in the classroom. He was humble and genuine to everyone.

My condolences to Sylvia, Sheryl, David and Jason. When I think of Jack I remember all of the family picnics at Cedar Beach. Jack always brought his chaise lounge and relaxed while all of the others played quoits. Jack always had a smile on his face and really seemed to enjoy life. Jack was always very kind to me as a young boy. I'm sure he will be sorely missed by his family. May Jack rest in peace.
