“ On Thursday, we lost our true ambassador for life and for our dealerships. John lived his strong faith and his love for his family and country everyday.

For almost 35 years his easy-going mannerisms made our friends and customers feel right at home. We are sure that he will be able to convince more than a few in heaven that they need a new ride.

Beth and family, we love you and pray for all of you and know that God will surround you with his love.

Rest In Peace John. We love you and will miss you.

John was the first person I had occasion to interact with when I came to work at Rentschlers, and any success I did have while there can be directly attributed to what he showed me, and moreover he was a friend, who was never short on humor, always asked how you were, and was always willing to listen. I'll miss you John and hope to see you again someday.
