“ *The special memories of you will always bring a smile to my face. My best moment is when we brought Anthony Joseph (AJ) into the world to be loved by all. Whenever I look at AJ, I see you, He has the same corny and sometimes funny jokes, your compassionate heart, and most of all the gentleness I've known you to have. All the fun times we had over the years, will always be remembered. Any time I needed you, you had my back. You always protected me and AJ. All the familiarities of songs we like, our son loves them. The fact that you're no longer here and looking at photos of you makes me cry more because you will always be forever in my heart. You will be missed, never forgotten, and loved by all of us. AJ and I will miss you and hope you're watching over and protecting all of us, your family. You truly have made your mark on me. May you Rest In Peace. Until we meet again, I love you.*

“ I was so happy to have spend some time with my brother. I was looking forward to the summer just to be able to cookout and have some drinks with him. The love we had for someone another was like no other. He would always call me to check up on me or to tell me some of his corny jokes. He truly going to be missed. I love you forever and ever, till we meet again ñañito. #yoursisterkeeper
