“ *My heart goes out to you and all of your family. I loved you all from the first time Rick took me to Allentown to meet his little cousins Scott and Keith. Your awesome mom gave me so much good advice. Please hug her for me. And then hug yourself. You were a special big brother! I love you. I am here if you need to talk. Text me. I will answer. That emptiness never goes away. It just sits on the back burner!*
Prayers for all, Nancy
