Kenneth J. Wolbach, 91, of Allentown, passed away April 3, 2023 in the Lehigh Valley Hospital, Salisbury Twp. He was the loving and caring husband of Anna Marie (Lucas) Wolbach. They were married for 65 years last October. Born in Allentown, he was the devoted son of the late J. Byron and Minerva (Weil) Wolbach. Ken was a 1949 graduate of Allentown High School and attended Lehigh University. He was a U.S. Army Veteran of the Korean War. While in the Army, he was a locomotive engineer in the Transportation Corps. Kenneth was the plant manager at Lawsilk Ribbon Corporation in Bethlehem for many years until retiring. He attended St. Thomas More Catholic Church, Allentown.

Kenneth's locomotive experience developed into an interest in model railroading which he enjoyed in his retirement. Ken and Anna Marie were able to take several cruise voyages and looked forward to family beach vacations in Ocean City, Maryland. Ken also had an appreciation for music which he learned from participating as a drummer in school. His analytical and mechanical talents were relied on as he was always willing to help with projects and he was thought of as the handyman of the neighborhood. Ken was able to recall events from his childhood and was an entertaining storyteller. Above all, Ken was intelligent, funny, considerate, and always a gentleman.

Kenneth's family would like to thank the staff at Mosser Nursing Home for his recent care.

“ Anna Marie, I am sorry for the passing of your husband Ken. It was good that you had a chance to be with Ken. He was very sick. I had a chance to talk to Ken recently, we knew each other since grade school. I have good memories of you and Ken at our Muhlenberg Grade School Luncheons.
