“ Dear Nicky, Kelly and the Marger family,

I wanted to express my condolences for the loss of your mom and sister. Wissie has been a life long friend to me, and I will miss her and our friendship. She was as unique as her nickname - honest, kind, loyal, generous, thoughtful, feisty and stubborn are just some of the adjectives that come to mind! Our tight knit group of friends will keep her memory alive with countless stories of our times at Cedar Beach, Union Terrace, St Catherine's and William Allen High School.

*Fondly,
Jane Earley and family*

“ *Wissie was my second mom growing up on Poplar St. Kelly and I have been friends for 33 years and Wissie has watched me grow up. She would always send birthday cards and stickers to my kids. She was very good about remembering special dates. I will always remember her potato soup. I didn't eat much as a kid but I LOVED that soup. Wissie made sure that I knew I was always welcome at her house if I needed somewhere to stay. I have many fond memories of her and will miss her dearly.*
