“ *Great Uncle Larry, I know you are in a safe place with my Great Great Grandmother Helen Schmick. I also know you are smiling down upon the whole family. You were a Great Uncle I couldn't ask for a better one growing up and neither could my father Richard Rabenold! He told me many stories about what you taught him growing up which some of it he passed down to me. I love you forever and always Uncle L, I will cherish the moments growing up having you around and the memories of you riding your motorcycle to the Family Reunions and to the Birthday parties for the family. I will crank my bike all summer long so you can hear it. Love you always your Great Nephew Erich Rabenold*
