“ I was just informed of the passing of Laurianne Daugherty. I went to school with Laurianne and have known her since kindergarten. I am deeply saddened by her passing. Just yesterday I was talking to a classmate planner our 50th year reunion (one year late because of Covid). Along with other classmates I asked about Laurianne and if she was going to come to the reunion. I'm sure she will be there in spirit. We will all miss her.

“ Laurianne, my friend. I just learned today that we lost her. She has been in my head lately, and maybe that's why. She made her presence known, I liked that the most about her. I also liked, that no matter the age, girls will always have that young girl inside them and Laurianne was that. Maybe I knew her differently than some, but she was lovely, sensitive, hopeful and loving. Those are beautiful qualities that a person could possess.

I will never forget her friendship. I consider myself lucky for having known her.

Rest easy Laurianne, I'm sure we'll meet again.

Sincerely,

Natalie Mattrazzo
former coworker from AAA

“ I am so sorry to hear of Laurianne's passing. I had worked with her at Fling Vacations and kept in touch with her thru the years. Loved our conversations and meeting at Brass Rail for dinner. She will always be in my thoughts. She worked with my mom years before Fling and always asked about her. She will be missed.

“ *Though I never met you I felt I knew you through Paul's recounting of your adventures and life together. The world is diminished by your absence. Blessings and prayers to you, Paul.*
