I feel devastated of your untimely death my dearest sister... Dolores. Whom shall I talk to now whenever I have some problems? I missed our daily conversations over the phone....advising me take good care of myself....despite the fact that you have an illness. I missed the daily Christian verses you are sharing me. Until now...I can't accept that you are gone. I love you...my dearest sister, Dolores. I asked the Lord to take care of you wherever you are now...may your soul now rest in eternal peace. You are greatly missed. Please watch over me. I won't say goodbye...for until now I still feel your presence.
