

## Marc Craig Loupassakis

July 25, 2025

Marc Loupassakis, 46, passed away peacefully at his home in Lower Macungie Township on July 25, 2025. Born in Plainfield, New Jersey, Marc grew up in Branchburg and was a proud graduate of Somerville High School, where he excelled as a talented baseball player. He went on to attend Raritan Valley Community College and Widener University, later graduating from Lincoln Technical Institute. After moving to the Lehigh Valley, Marc built a career in the industrial and service sectors, working with Meyer Power Products and Macintosh Linen Services. A devoted father, he cherished coaching youth softball and football alongside his two older children and shared his love of sports, teamwork, and community with all three children. Marc was a man of faith and a member of St. Thomas More Church, and his spiritual beliefs were a quiet but steady part of his life.

More than anything, Marc adored his three children — Ashley, Joshua, and Audrey Loupassakis — who were the absolute center of his world. His love for them was boundless, and he found his greatest joy in being their dad. He took pride in every milestone, every game, every laugh, and every moment spent with them. He is also survived by his parents, Craig and Donna (Brower) Loupassakis; his sisters, Melinda Zelina, her husband David Zelina of Coopersburg; Kristen Loupassakis, her husband John Teevan of Chula Vista, California; his former wife, Charmaine Taylor, of Phillipsburg, New Jersey and his former companion, Amanda Johnston of Quakertown, Pennsylvania. Marc

will also be missed by his nephews, many aunts, uncles, cousins, and friends who knew him for his kindness, humor, and devotion to those he loved.

Celebration of life to be held at a later date

“ We are so saddened by Marc’s passing. My family has so many memories since Marc and my children basically grew up together. I remember the plays they put on for us in the basements, swimming in the Loups pool all summer, and our many family trips... Vermont skiing, experiencing the Southwest, Barbados, and Jamaica to name a few. We were definitely family and will miss him a lot. With much love, Aunt Marge

“ Marc was my nephew. We shared the love of all sports and specifically rooted for the Mets and Giants together, always discussing new prospects, and with those 2 teams, always hoping “next year” would be better. When he was a kid, I watched him play baseball at all levels and even cheered him on while he tried football. But my favorite memories were watching him, both coach and cheer on, his own children. He was a great Dad and his children were the center of his life. This was a life cut too short. My heart goes out to all of our family members - we’ll miss you Marc
