“ Mom, I was blessed with you and will miss you so much. You are the strongest person I ever knew. I am so glad we spent so much time together and already miss the 2 to 4 calls from you every day. I'm so happy that when you passed it was so peaceful. Dad missed you so bad that he needed you. I know you're truly happy now. I already miss all the rides to see you and bring you cigs. This morning I'm going to pick up your buddy Bob . He wants to celebrate your life also. I'm sure you are so happy and proud of what Amanda is doing to bring you the best celebration of life ever and nobody deserves it more than you. Amanda, Gloria, Cindy, Pat, Karen, Patty and Alyssa are are working so hard to make this your day and I'm so grateful to them all. Thank you for being the best wife to dad and the best mother, grandmother and great grandmother. Thank you for being a true and loyal friend to all who knew you. I love you mom and today and always we will celebrate your life.
