“ *My sincere condolences on your loss. I got to know Mary Jo and her Mother when they moved to The Fairways. She always saw the bright side of situations & was a good friend to all. I'll always remember that special Christmas party she threw soon after she moved into her home that she loved so much. That was the first night we built a fire in the fireplace. You had to be there. She was a great hostess and was so happy. She was so proud of that picture of her as a little girl on Santa's lap at Hess's.*
