“ Tillie and Dick played such a large role in our family's life. We were blessed to have them care for our daughters for many years. They were both so much more than babysitters, they were mom mom and pop pop, a special pair of extra grandparents. We will miss Tillie so very much, especially her warmth, her kindness, her sense of humor, and her contagious smile. JoAnn and John Makoul

“ Dear Bob & family, I have had the pleasure of knowing & taking care of Tillie for, almost, the past year. Every Monday she would tell me to do good in bowling. She always asked about my grandson & I made sure I brought him to visit her. I will never forget her & she holds a special place in my heart.  
Blessings to all of you.
