“Lew, Marybeth, and Randy sorry to hear of the passing of your mother. She was very kind and giving of herself –I remember she volunteered for Meals On Wheels. I have many great memories growing up across the street in a tight neighborhood where everyone knew each other. Your mom was also very kind to me and my brothers over the years and she will be sadly missed. My Mother also sends her condolences to you and the family. She keeps reminding me that Millie taught her how to drive a standard transmission car. Now that would have been fun to watch. With deepest sympathy your family is in our thoughts and prayers.

“Millie was a wonderful person and my very dear friend.. I met Millie in a bible study at Nativity Lutheran Church about 30 years ago. We became friends very quickly and enjoyed long talks about our faith. Millie had a deep faith in God and loved her family very much. I will never forgot how much she helped me through some tough times. She was always available to listen and help me make some tough decisions. .I will always smile when I think of Milile and pray that one day we will meet again. Until then, rest in peace, my dear friend.
