“ I sure will miss Myrtle. I enjoyed talking to her about our Snoopy collections, especially on one of her birthdays when my daughter and I visited with her and her son. She was a great person.

“ Myrtle shared a room at WHM with my mother and was the the best room mate we could have hoped for. She became part of our family during that time. She told us stories of growing up in Waterloo, NY and many of her travels with her husband. We shared books and shared her Snoopy love with us. Her son is the love of her life and was so proud to tell you so. We shared many dining room lunches and had such good laughs. Visits to WHM did not include Myrtle since March when my mom was moved to a higher level of care and the virus hit, the things closed down. I am saddened that I did not get just one more visit with Myrtle during these months. She is missed already. She was so special to me.
