She was no saint. She abandoned her two sons in Puerto Rico and later fled to PA to sell drugs. Actually she was arrested three times and jailed. Here are the stories: <https://www.mcall.com/1992/06/25/police-charge-3-with-drug-counts/>

Furthermore, her association with Benito Ortiz is incorrect. He died several years before her and his death certificate verifies they were not married but she managed to commit fraud to collect on his behalf.

The whole family is corrupted and hide behind church. The truth will be set free when Jesus returns for his faithful people!
