“ Aunt Pearl will be missed. The times we had together. She let us get away with anything. The clams she brought to us at Pete's. I had my first taste of pig's stomach and loved it from her. Her and my Dad going to the market in the Poconos. Sending cards to everyone for birthdays and holidays. She never missed one. Her laugh. It was loud but you knew it was real. My sympathy to everyone but I know she is happy. If you all need anything call me. So sorry for our loss!
