“ *Dear Brad, Susan, Harold & Todd;
I was saddened to hear about Phyllis's passing. I had visited her in Gracedale but had not seen her for a few years due to the Covid & not being allowed to visit. I was so honored to be asked to share at her service. She was one of my mentors growing up being involved in her dance studio with dance & twirling. I feel like I was one of the lucky ones who continued to see her off and on throughout the many years as I explained in her service.
To each of you I extend my sympathy & prayers. I know life was not always easy with your mom / mother-in-law. But I'm sure she loved each of you deeply,, but for whatever reason,, possibly did not say or show it as she should have. But a mother never stops loving her children & Vice versa. May Gods love touch your hearts, give you the comfort & healing you need to move forward. And as you lean on God to get you through this loss,, I pray the positive and wonderful memories you have of your mom,, stays with you a lifetime.
Again, my deepest sympathy!!!
