I thought AND THINK the world of Becky. I first met her at a girls' dinner get together. She is so pretty, but she has also always been pretty on the inside. Becky was always so kind and acknowledging. I was at her home to celebrate the birth of her grandson, Braxton Chad. She was such a gracious hostess with a wonderful easy way about her! Vince, we are thinking of you and praying for you and your family. I am so glad to have known Becky.

“ I remember the first time o met Becky. She was so very beautiful but more importantly extremely kind. She and I were talking about our “boys”- Vince and West. Sh invited my husband and me to a brunch the following Sunday; what a feast! She was such a charming hostess and from that day on I have been fortunate to have known her!
My thoughts and prayers are for Vince now as I know how very much she loved him .
