“ I was so sorry to hear of Rem's passing. We went to high school together and seen each other over the years. Always a smile and a helping hand at his flooring business or at Home Depot. He will be missed and my condolences to the entire family.

“ We had the privilege of living next to Rem, Liz and Logan for several years. They were wonderful neighbors and they are greatly missed. During that time we were the recipients of many desserts and other delicious dishes that Rem made (his cream puffs were just amazing!). We had good times talking with him and Liz, and grocery shopping during the most restrictive Covid time. Rem was a smart man and interesting to talk with. We have good memories of Remi. Thank you for the photo on this page.
